What time can we start at Fraser Gallop Estate?

Ceremonies commence no earlier than 4:00pm, however guests are welcome to arrive from 3:30pm.

Can we finish after midnight?

We do not allow weddings to go beyond 12:00am. Last drinks will be served at 11:30pm, and music is to be off at 12:00am.

This works well for the guest transport also, who do last collections at 12:00am.

Is catering provided?

Catering is to be outsourced, using only one of our recommended caterers. Please note, clearing of all rubbish must be included in your catering quote.

Can we serve spirits?

Due to our liquor license, we are not able to serve spirits, however, should you wish to provide cocktails, please contact Juniper Events, who are able to assist with this.

What if we just want to book the venue, but don't want to have a Wedding Planner?

Due to the nature of weddings at Fraser Gallop Estate and the infrastructure required, we do not allow weddings without the management of White Events, who is our exclusive Wedding Planner.

Do you have preferred suppliers?

Yes, we do, and this is something that White Events can assist you with.

Are children welcome at Fraser Gallop Estate?

We are more than happy to have children attend the wedding, especially the ceremony. We do recommend that the reception is an adult only affair though, due to the nature of the event and the surroundings. Should guests be attending the reception with children, they must be closely supervised by a guardian at all times.

Can we get ready at Gallop House?

No, due to prior damage to the interior of the House, we have made the difficult decision to only allow access to the house for the ceremony entrance, and for the Bride & Groom to have photos after the ceremony. No further access to the house is permitted.

Can we tentatively book a wedding date?

Due to the exclusive nature of the venue, dates will be held for 7 days only.

How do we secure and pay for our wedding date at Fraser Gallop Estate?

White Events will send a booking contract, and once this has been completed and returned, an invoice will be sent for the booking fee, which secures both the venue and White Events' services.

Following this, the balance of payment will be payable 6 months prior to the wedding.

With final numbers to be received 4 weeks prior to the wedding, at which time the cost of beverages per guest will be payable.
